SR/7/DOB Memo No. _____

1 February 1956

MEMORANDUM FOR: Chief, Special Security Division

ATTENTION : []

SUBJECT : Request for Technical Interview for SCOBZOKOV, Techarin N.,
DOB 2095, 26 May 1955

1. It is requested that a polygraph examination of Subject be furnished on Saturday, 18 February, at 0930 hours. No alternate date is at present provided.

2. Subject is an immigrant to the U. S. A., of Circassian birth. His English fluency is sufficient to conduct the interview in that language.

3. An oral medical report will be provided at the pre-interview conference (see paragraph 5).

4. A previous field polygraph examination was conducted in April 1953, and at that time showed evidence of evasion in elements of Subject's background.

5. Prior to testing, a conference will be held between the [] polygraph operator and the case officer handling Subject on 16 February, Thursday, at 1530 hours.

6. The polygraph is requested to test the veracity of Subject. His biographical debriefing should be checked for its accuracy. Subject's answers to questions should be checked for frankness, inconsistency, evasiveness and inaccuracy. It is hoped that a thorough debriefing prior to the polygraph will provide information enabling Headquarters to get a more favorable interview than was provided under field conditions. All biographical information regarding Subject will be provided at the time of the conference.

7. Further inquiries may be directed to [], room 2707 J, extension 3806.
